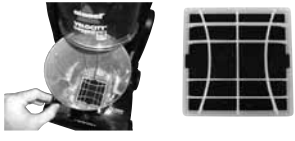
IMPORTANT

WARNING: Refer to the enclosed user guide for complete instructions and important safety notices.

1. Before installing the Febreze® dust bag, pull tab on Febreze® bag to release freshness. To install the bag, align the bag opening with the tank lid inlet and attach the cardboard bag collar to the tank lid.

WARNING: Do not operate cleaner with damp or wet filters or without vacuum bag and all filters in place. This vacuum cleaner is not intended to be used without a vacuum bag.

2. Before using your vacuum, check the pre-motor filter to ensure that it is securely in-place at the bottom of the bag tank.



NOTICE: As the dust bag fills during use, debris may collect in the Dirt Path Window. Easily check the bag by removing the bag tank and looking into the tank inlet.

Please do not return this product to the store. If you have questions, please call:
